

“Just a quick text to say I been using the strengthened support belt on days when I knew I would be on my feet longer and more active. It has given me the extra confidence I needed and I have been very happy with it. Thanks for your help and I am copying this to my Nurse as she first suggested a stronger belt. You are both stars. Thanks.”

“I have just had a visit by one of your team and I would like you to pass on just how pleased I was with the visit, her friendly attitude to me and her expertise in selecting a suitable support belt for me and advising me of necessary adjustments to a standard belt as I have a stoma and a double hernia. Cheers!”

“Thank you so much for the support pants which are a perfect fit. They are especially good for sleeping as the support is so good. I can't believe something so simple can be so effective – CLEVER YOU! What is the next step please as I would love to have a spare pair. I have returned your freepost bag as it is not needed.
Very many thanks once again for your care, attention and brilliant idea.”
